

USM U. Schaerer Sons K.K

Company Description

USM has been a Swiss family run business since 1885.

The USM Haller along with our other ranges of tables and accessories all show our commitment to unparalleled innovation, genuine quality and true style.

As well as creating world-class products, we care about building lasting relationships with our customers. Our work to keep the environmental impact of our products to a minimum has been rewarded with prestigious Greenguard certification for low chemical and particle emissions.
