

## USM U. Schaerer Sons K.K

---

### Company Description

**USM has been a Swiss family run business since 1885.**

The USM Haller along with our other ranges of tables and accessories all show our commitment to unparalleled innovation, genuine quality and true style.

As well as creating world-class products, we care about building lasting relationships with our customers. Our work to keep the environmental impact of our products to a minimum has been rewarded with prestigious Greenguard certification for low chemical and particle emissions.
