

Schenker-Seino Co., Ltd.

Company Description

DB Schenker is the world's leading global logistics provider — we support industry and trade in the global exchange of goods through land transport, worldwide air and ocean freight, contract logistics and supply chain management. Integrated logistics resides at the world's most important intersections, where the flow of goods creates an effective link between carriers. Our value-added services ensure the flow of goods continues seamlessly and supply chains stay lean and optimized for success. Our business holds top positions in automotive, technology, consumer goods, trade fair logistics, special transports, and special events logistics.
