

DSV Air & Sea Co., Ltd.

Company Description

With offices and facilities in more than 80 countries on six continents, we provide and run supply chain solutions for thousands of companies on a daily basis.

We are a global supplier of transport and logistics services and offer a wide selection of transport service combinations and solutions.

DSV Air & Sea Co., Ltd. was established in November 1990 in Osaka under the founding name of HN SAIMA JAPAN CO., Ltd. The company was a joint venture between Italian Saima Avandero S.p.A. and Japanese Hanshin Electric Railway Co., Ltd.

Through the last decade the company has seen noteworthy development and expanded its global network to become one of the leading forwarders in the field. Today the company offers international freight forwarding services around the globe.

In January 2001 the company name was changed to ABX LOGISTICS (Japan) Co., Ltd. following the takeover by Saima Avandero.

In December 2008 the company name was changed to DSV Air & Sea Co., Ltd. following the acquisition by DSV. With its acquisition of ABX LOGISTICS, DSV became a truly global player and one of the largest players in the field.
