

GARMIN®

Garmin Ltd.

Company Description

We make products that are engineered on the inside for life on the outside. We do this so our customers can make the most of the time they spend pursuing their passions.

With over 19,000 associates in 35 countries around the world, we bring GPS navigation and wearable technology to the automotive, aviation, marine, outdoor and fitness markets. We think every day is an opportunity to innovate and a chance to beat yesterday.
