

Bridge Life Ltd.

Company Description

About Bridge Life

Bridge Life supports foreigners living in Japan by providing information about housing, full-time/part-time jobs, and living conditions in Japan.

Moreover, we are currently working with foreign companies and universities by providing them housing and maintenance for their employees as well as university students. We have also started a call center to solve any troubles that foreigners may come across.

Bridge Life can support foreigners in either Chinese, Korean, English, Spanish, and/or Japanese. Our mission is to be a bridge between Foreign Nationals and the Japanese people.
