

Medecins Sans Frontieres (MSF) Japan

Company Description

We are Médecins Sans Frontières

Médecins Sans Frontières (MSF) translates to Doctors without Borders. We provide medical assistance to people affected by conflict, epidemics, disasters, or exclusion from healthcare. Our teams are made up of tens of thousands of health professionals, logistic and administrative staff - bound together by our charter. Our actions are guided by medical ethics and the principles of impartiality, independence and neutrality.

About MSF Japan

Médecins Sans Frontières (MSF) was founded in France in 1971 as a non-government organisation, and MSF Japan was established in 1992. MSF Japan is responsible for recruitment and dispatch of staff, communication and advocacy about humanitarian crises and medical needs, and fundraising to carry out its mission.
