Mitsubishi Fuso Truck Bus Corporation

Company Description

Shaping Future Transportation

Mitsubishi Fuso Truck and Bus Corporation (MFTBC) is an integral part of Daimler Truck AG. From its headquarters based in Kawasaki, Japan, MFTBC manufactures trucks, buses, and industrial engines for over 170 markets around the world, offering products ranging from the iconic light-duty Canter truck to the heavy-duty Super Great. In recent years, MFTBC has served as a development center for electric and autonomous drive technologies within the larger Daimler Truck network. MFTBC also operates under the umbrella of Daimler Truck Asia, together with its partner organization Daimler India Commercial Vehicles (DICV). This strategic unit allows the entities to collaborate on areas such as product development, parts sourcing and production to provide the best value to customers.
