

Housing Japan K.K.

Company Description

Housing Japan aims to be the innovation leader of real-estate service providers in Japan. Our company philosophy is "Think, Innovate and Create". It is a part of everything we do.

Housing Japan started in 2000 providing leasing services to expatriates relocating to Tokyo. Our business has evolved to provide a broad range of real-estate services to domestic and international clients. Our reputation is built on 1) providing superior levels of service, 2) honest and transparent communication and 3) achieving great results for our clients.

Over the years we have had the privilege to work with clients including many global corporations, finance companies, embassies and international schools. We have also worked on various development projects ranging from beach houses in Chiba to executive houses in Tokyo. Our experienced professionals are helping clients everyday with leasing, sales, property management and development projects in Tokyo.

We look forward to a future of growth based on the relationships we have built and experiences we have enjoyed over the last decade. We are excited about real-estate in Japan and look forward to working with you.
