

Dennemeyer Japan

Company Description

The Dennemeyer Group offers high-quality services for the protection and management of Intellectual Property rights and is committed to being the first-choice partner for customers globally. With 60 years of experience in the industry and 20+ offices worldwide, Dennemeyer manages over three million IP rights of around 8,000 customers. Organizations with even the largest, most diverse IP portfolios turn to the Dennemeyer Group for reliable protection, administration and management of their most valuable assets. In addition to a full spectrum of IP-related legal services, Dennemeyer offers IP strategy consulting, comprehensive IP management software, IP maintenance services and cutting-edge patent search and analytics tools.
