

## Translation Business Systems Japan

---

### Company Description

Our project managers individually have impressive records in managing some of the largest projects in Japan. We're absolutely professional, know how to get things done, and know the best translators in the industry. Now we've joined forces. Through TBSJ you will gain access to talented people with the right combination of experience, technical proficiency, business achievements, and — most valuable of all — the ability to roll up their sleeves and get the job done.

Our mission is to provide clients with high quality translation solutions, at the right price, and as people who understand business, not just translation.
