

NIPPON SIGMAX CO., LTD.

Company Description

Enhance health life expectancy and live a healthy life
Eliminate "loss of dream" by overcoming and preventing motor disorders
Everyone can participate in society beyond disabilities
In any country or region...

We will leverage the expertise we have built up over many years in the field of medicine and will not forget the spirit of challenging for further development.
 In the field of sports, which is highly regarded by athletes, we are developing even more advanced products.
 In addition, we believe it is necessary to focus more on the field of wellness, which supports daily life.
 We will accurately identify the needs of people who meet the needs of the times and create "vitality" through our products.

Four Business Domains

Our business domains, "Medical," "Sports," "Wellness," and "Global," to offer our products and services to all over the world - deliver more "vitality" to our customers.
