G Talent at Bizmates, Inc.

Company Description

G Talent is an IT recruitment service for foreign IT talents and Japanese bilingual operated by Bizmates, the No. 1 online business English school in Japan. The "G" stands for "Global" and we specialize in placing international IT talent in jobs that allow them to thrive and grow in Japan.

As technology continues to drive the business world forward, G Talent aims to stimulate growth, create opportunities, and bolster the Japanese economy by fusing the talents of foreign IT talents and bilingual Japanese IT talents with Japanese businesses.

Optimal matching provided by IT savvy bilingual consultants

Bilingual career consultants with strong IT backgrounds pay close attention to your experience and desires to find you jobs that allow you to make the most of your skills. They will also evaluate the company culture, desired conditions, and other fine details to find the perfect match.

The reliability of the No. 1 online business English school*

By building trust among our clients and focusing on delivering results, Bizmates has achieved the No.1 position in the online Business English industry in Japan.

As we continue to face an increasing amount of competition, Bizmates and G Talent will continue to focus on both these ideals to ensure that we not only continue to meet expectations, but surpass them.

*Based on the number of Skype-based English instructors for Japanese customers. Services that do not disclose their instructor count are excluded.

Proactive recruiters actively seeking foreign and bilingual Japanese workers

Because we are an online English conversation class specializing in business, we have many clients who are proactively looking to expand globally.

From major corporations to startups, we aim to place our talent in companies where they can thrive and build successful careers.
