

J-Screen K.K.

Company Description

J-Screen K.K. has been providing background screening and due diligence services in Japan and Korea and established a wide network of public, private and proprietary information resources. We can help client's companies migrate financial, legal, and criminal risks through the design and implementation of formalized, ethical and comprehensive individual and organizational screening programs.

Since October 2019, J-Screen has become part of HireRight, the industry's preeminent background screening company headquartered in California, USA, in order to provide the next generation of technology, service, and intelligence in background screening.
