

## ES-Waternet Co., Ltd.

---

### Company Description

#### EXPERT SUPPLIER OF WATER SYSTEMS

ES-Waternet Co., Ltd. has been manufacturing, importing and exporting waterworks and irrigation equipment and systems for more than 40 years. We have drawn on our experience and expertise to support construction companies engaged in Ocial Development Assistance, particularly projects that involve the development of waterworks and irrigation systems. Moreover, we ensure that products are transported from the manufacturer to the site of use, regardless of location. By introducing high quality products, we also contribute to improving the living standards of people around the world.
