

AGORA Hospitalities Co.,Ltd.

Company Description

Agora Hospitalities, founded by a team of experts in hotel operation and property development, believe in "concept-driven" approach of designing, branding, operating hotel and other surrounding hospitality related businesses and making this happen through people.

Hospitality Business

A collection of diversified style of hotels from full service, limited service, resort to traditional ryokan that assures an unique and local experience of Japan. Through Agora Hotel Alliance, independent hotel owners will benefit from collective strength of hotel alliance whilst retaining identity and characteristic of regionality and history.

Our alliance hotels enjoy our cafeteria-style services covering full management, IT system, sales, e-commerce marketing, PR, HR & Accounting business processes and centralized procurement of various hotel supplies. Our shared goal is to improve cash flow from operation by sharing management and operational resources among alliance hotels and continue to provide the best hotel experience to become the "pride" of JAPAN.

Other Investment Business

- ◆ Hidden Valley Development Project
Pursuing the growth of a real estate development project, Hidden Valley Project, in the suburbs of Melbourne, Australia. The "Hidden Valley Project" includes plans for residences, a retirement village, shops, a hotel, and childcare facilities. We are involved primarily with plot development and residence construction.
- ◆ Rawang Memorial Park
This development program is situated in Malaysia on a 250 acre plot of land just outside Kuala Lumpur. This real estate project includes the sale of cemetery plots, tombstones, and ossuaries. This rapidly growing industry is tracking the economic prosperity seen recently in Malaysia and promises to continue to grow as the market matures.
