

Investure Co., Ltd.

Company Description

Greetings from the Founder

Are you trying to find out how to access Japanese listed companies that fit with your portfolio? Investure can help and cooperate with you in this matter.

Investure is an IR consulting firm providing advice to listed companies so that they can directly make their IR teams to commit and contribute to enhance shareholder's value. We have tens of Japanese industry-leading listed companies as clients providing them an IR advisory service for more than 10 years.

During recent years, we are having more opportunities to exchange opinions and information with institutional investors all over the world. This reflects the fact that we serve more as a linking bridge between foreign asset managers and Japanese issuers. We can see changes in communication between managers and IR teams because of difficult business environment of asset management industry and regulation like MiFID 2.

To those who have interests to our services, please feel free to contact us or our consultant. On the other hand, we might contact you when we arrange roadshows and teleconferences to our clients. Our mission is to cultivate investment community through communication with investors all over the world.
