

Greenstaff Medical K.K.

Company Description

Providing talent solutions across Japan Right Healthcare RIGHT NOW

Greenstaff Medical is a specialist healthcare staffing agency providing high quality talent across Japan. We are part of the broader Greenstaff Medical Family who provide healthcare staffing solutions across the UK, US, Canada, Australia and China since 2014.

Our focus is supporting our clients with challenging last-minute staffing requirements. Our workforce is predominantly specialist Registered Nurses and Doctors across a variety of specialist areas.

We have recently launched our Life Sciences business, focussing on CMC and Regulatory Affairs in the cell & gene therapy fields. We will be offering an FSP model as well as staffing solutions in these areas to innovate cell & gene therapy development internationally.
