Company Description

A Gateway to the Hidden Beauties of Japan Luxury Japan Virtual Travel Market

Your New Standard for Luxury Tourism

Luxury Japan Virtual Travel Market (LJTM) is a B-to-B platform specifically designed for luxury tourism in Japan. The Luxury Japan Tourism Organization was established to attract high-net-worth tourists from around the world in a unified effort by the government and private sector.

No need to travel overseas to meet sellers. With LJTM, you have access to 24/7, all-year-round services that allow you to attend meetings remotely and even complete transactions with domestic and foreign industry experts who have passed our screening. Operators and municipalities wishing to draw in affluent customers can also use our services.

Revitalizing Japan with this national project and our combined efforts.

Meetings

Easily manage your calendar, meetings and payments online. Supervised by travel companies, LJTM has all the necessary tools for luxury tourism business discussions.

Matchmaking

This new 24/7 platform for luxury tourism allows you to attend meetings with, and even make payments to, sellers and buyers from Japan and overseas.

Promotion

The main page 24h Video Lobby dedicated to luxury tourism can also include videos from sellers wishing to promote their material to buyers targeting affluent customers. LJTM is available worldwide in two languages (Japanese & English).
