

51Talk

51 Talk Japan

Company Description

Online English learning platform for kids

Founded in 2011, 51Talk has become the largest company for teaching kids English online.

Listed in the U.S.

51Talk is officially listed on the New York Stock Exchange on 10 June 2016, becoming the first online English teaching company in the industry to be listed in the U.S.

One-on-one lessons

Lessons at 51Talk are one-on-one and taught by tutors. 51Talk provides teaching services to users aged 3 to 18 around the world, allowing users to take lessons anytime, anywhere.

Global operation

Currently, 51Talk provides English teaching services to over 50 countries and regions, serving more than 40 million users. We have more than 20,000 English tutors from the US, Canada and the Philippines.
