

## Apex K.K.

---

### Company Description

Apex is a leading executive search firm based in Tokyo, specializing in the recruitment of bilingual professionals from mid to senior-level management positions. We work closely with many of the world's top global companies established in Japan, as well as startups looking to enter or grow within the Japanese market. Apex is a member of Kestria, a global professional alliance of executive search firms with over 80 offices spanning 6 continents.

Apex was founded in 2010 by 5 experienced executive recruiters and at that time focused in the healthcare industry, specifically in Pharmaceutical, Life Science & Diagnostics, and Medical Device. Since then, we have expanded into additional industries and currently have 11 teams covering: HealthTech, Banking & Financial Services, Consumer, Supply Chain & Procurement, Legal & Compliance, Human Resources, Finance & Accounting, and Technology.
