

Wilhelmsen Port Services (Japan) Pte. Ltd.

Company Description

Our vision is to shape the maritime industry.

Founded in Norway in 1861, Wilhelmsen is a comprehensive global maritime group providing essential products and services to the merchant fleet, along with supplying crew and technical management to the largest and most complex vessels ever to sail. Committed to shaping the maritime industry, we also seek to develop new opportunities and collaborations in renewables, zero-emission shipping, and marine digitalisation. Supporting a diverse and inclusive workplace, with thousands of colleagues across close to 60 countries, we take innovation, sustainability and unparalleled customer experiences one step further.
