

Oriental Consultants Global Co., Ltd.

Company Description

Our Core Values

We're outcome focused

We are a goal-oriented company that maintains a keen focus on achieving our client's objectives while delivering real benefits to the people whom our projects are intended to serve. We are diligent in our processes, but our ultimate goal is results on the ground that make a positive impact on people's lives.

We're a trusted partner

OC Global is valued by our clients for our ability to adapt to their changing needs through the course of project implementation. We never compromise on quality, and we are open about what can and can't be done, but within those constraints we always listen carefully to our clients and do all that we can to accommodate their changing requirements.

We aim for the sky

At OC Global we want to be the best. We take pride in delivering innovative technical and engineering solutions that are not merely adequate, but inspire hearts and minds. We seek to employ state-of-the-art technologies and the highest technical and managerial standards. In so doing we recruit only the brightest minds and support our staff to upgrade their qualifications and skillsets and reach their fullest potential.

We embrace integrity

OC Global strives to be an upstanding corporate citizen. We believe in honesty, openness, and respect for all laws and community standards. We solemnly place the importance of our staff members and their families above all. We seek all relationships to be ethical and equitable, whether with our business partners, suppliers, clients, or the public. We sincerely believe in our responsibility to give back to the community through visible Corporate Social Responsibility activities.

"OC Global's vision is to provide a safe and prosperous life to everyone around the world, through our enthusiastic pursuit of knowledge and a passion for self-improvement that is present in each and every one of our employees."
