

JTA Co., Ltd.

## Company Description

**First hand information, in depth knowledge and extensive experience delivers an outstanding travel service.**

The JTA group is mainly a Japanese tour operator handling tourist groups with size ranging from individual and package tour to the largest group incentive tour.

Our company provides a variety of expert services such as worldwide hotel coupon, optional Japanese sightseeing tours, conference arrangement, VIP attendance and all related tour operations.

Our considerable breadth experience has forged extensive and close connections with related suppliers worldwide.

The JTA group will continue to support high quality travel services in an ever-widening number of areas.

As we approach a new era involving tens of millions of Japanese travelers venturing overseas.

We will leverage our experienced management team and constantly push the frontiers in service and safety so as to innovatively promote a "NEW CONCEPT OF TRAVEL"
