

DOA Japan Corporation

Company Description

DOA Japan Corporation is established by DOA Australia in 2014.
 We aimed to advertise traveling to Australia.
 In 2015, we changed purpose to help foreign travelers in Japan.

Moreover DOA group such as Australia and Japan has purpose to be a travel company that is loved by our customers trust.

Rapidly world affairs and that come and go,
 in everyday to be the mercy of the economic environment,
 we have an increasing number of people who are out on a journey in search of "peace of mind".
 In particular, provides a "journey" here in Japan and Australia,
 as one company involved in the travel industry to produce,
 to many customers, even one person, the "peace of mind" through the journey, "excitement",
 and we hope and want you to feel "hope".

In the future the Company, as a company in the 21st century, "
 provides a travel service that can trust and security,
 and to contribute to making your memories" that is listed as a corporate philosophy,
 and is willing to smitten aims to become a company-wide united further development.
