Guam1 Beer

The Island King Imports is the proud distributor of Guam's very own GUAM1 Beer!

Capturing Guam's culture and Hafa Adai spirit in a can (and now in a bottle!), GUAM1's design is loosely based on the Guam flag and other ageless symbols of Guam-- palm trees, the beach and sunset, waves, and cave drawings from Gadao Cave.

"Working with TIKI has been a pleasure. They always deliver on time and attend to our orders professionally. Their products contribute to our variety and sales."

- John Salas, major retailer
