

Fever

Company Description

Fever is the leading global live-entertainment discovery platform which has helped millions of people discover the best experiences in their cities since 2014. With a mission to democratize access to culture and entertainment in real life through its platform, Fever inspires users to enjoy unique local experiences and events, from immersive exhibitions, interactive theatrical experiences, and festivals to molecular cocktail pop-ups, while empowering creators with data and technology to create and expand experiences across the world.
