

## Nippon Aircraft Supply Co.,Ltd.

### Company Description

#### Greeting from President

Since its establishment in March 1958, under the corporate motto of "Fidelity, Credibility, and Appreciation", as a specialized trading company with a mission to contribute to the development of Japan's defense and aerospace industries, Nippon Aircraft Supply Co., Ltd. has been introducing and proposing state-of-the-art products and services as a sales agent for manufacturers with advanced technologies in the U.S., Europe, and other countries and has been expanding its product lineup and services.

We have recently established a factory for new businesses and are working to meet our customer's needs at a higher level.

In the current unstable world situation, it is essential to enhance Japan's defense capability. We will do our best to contribute to Japan's defense and international peace through a stable supply of high-quality products. We look forward to your continued support in the future.
