

LiB Consulting co.,Ltd

Company Description

LiB Consulting is a management consulting firm founded in Tokyo, Japan. We have supported the growth and transformation of more than 2,000 companies globally, with the mission of increasing the number of “impactful companies”—companies that shape a better world in the next century.

We are not only a thought partner at the strategic level but also an in-action partner for success:

Hands-on: At LiB, we focus on providing not just recommendations but also actual results or value-added deliverables for your business impacts.

International Best Practice: We have not only Japanese but also worldwide subject matter experts who will bring creative yet practical recommendations to you and your business.

Local Team: Our staff is composed of locals with both local and international perspectives, ensuring that our plans are effective and actionable.

Mission of LiB Consulting (Thailand): To increase Thailand's sustainability.

Vision of LiB Consulting (Thailand): To be a consulting company that generates impactful companies and impactful leaders.
