

Interesse International Japan Inc.

Company Description

Interesse International Inc. was founded in 1996 in New York City and specializes in offering recruitment services for Japanese-English bilingual professionals across the U. S.

We primarily serve the U.S. subsidiaries of Japanese companies, leveraging our 11 offices to meet the diverse industrial needs of various regions.

In 2022, we launched our Japan branch, Interesse International Japan, to support bilingual talent and returnees seeking employment and career advancement both domestically and internationally.

Additionally, we assist individuals looking for job opportunities within the U.S., striving to be a trusted partner that connects businesses with job seekers.
