

ANAQUA K.K.

Company Description

Anaqua, Inc. is a premium provider of integrated intellectual property (IP) management technology solutions and services. Anaqua's AQX platform combines best practice workflows with big data analytics and tech-enabled services to create an intelligent environment designed to inform IP strategy, enable IP decision-making, and streamline IP operations. Today, nearly half of the top 100 U.S. patent filers and global brands, as well as a growing number of law firms worldwide use Anaqua's solutions. Over one million IP executives, attorneys, paralegals, administrators, and innovators in large and medium-sized companies use the platform for their IP management needs. The company's global operations are headquartered in Boston, with offices across the U.S., Europe, and Asia. For additional information, please visit anaqua.com.
