

Asia My Way Japan Co., Ltd.

Company Description

Local consultants and personalized trips

Established in 1990 Asia My Way is a Destination Management Company, providing personalized travel experiences in South East Asia.

With a multicultural team on our five sites, we are able to offer original tours: from cultural to trekking programs, from relaxing to adventure trips, ... We value the exchange of experiences. This is the source of our creativity.

We understand that it is important to be close to our customers not only during the set-up of the program, but also during the trip itself, to ensure that travellers feel welcome and that the needed service is provided.

We put this expertise at your disposal. Between us will be a good mutual understanding, the pledge of a journey that will conform to your desires.

We have the advantage of being on site, and our will is to always be up to date with the latest novelties. We are especially on the lookout for what is confidential, unknown, off the beaten track, so that you may experience the best of the destination chosen and thus build your most beautiful memories.

WHAT WE STAND FOR

The multinational placement of the expert teams throughout Southeast Asia enables the company to operate extremely efficiently and to be reactive whatever the demand.

Our itineraries are made in a way as to offer sustainable tourism options, rewarding holidays, that give a real appreciation of local cultures and environments for our guests.

Asia My Way understands the need to balance sustainable tourism practices alongside social, cultural and ethnic differences.

OUR TEAM

The Asia-My Way Team is composed of local multilingual professionals headed by experienced country managers. Together, with qualified travel experts in all operational destinations, we tailor make a variety of unique bespoke experiences to fit your needs and match your Holiday desire.
