

AIR Golf Media K.K.

Company Description

Golf Marketing In Japan

Media | content production | PR & Communications | Tourism Consulting & Strategy | Events

AIR Golf Media is a modern marketing and consultancy group with extensive experience within the golf and tourism sectors, providing detailed insights to positively impact brands, destinations, and service providers both in and outside of Japan.

Services

As well as the development of our own golf media; AIR Golf and Golf in Japan, we have also built extensive content and production capabilities in all mediums, in order to give more insight and value, helping our clients strengthen relationships with their customers.
