

KANOMAX JAPAN INC.

Company Description

NOTE: Kanomax.com is not owned by or affiliated with Kanomax USA in any way. Please note that Kanomax USA is located in ANDOVER, NJ 07821.

Kanomax delivers the best measurement solutions with its products and services that adapt precision measurement technology for fluids and particles. We contribute to technological innovation and quality improvements for the processes of quality and environment management. Sustaining human well-being in the areas of environment, health, and energy have always been a primary focus of Kanomax. We develop leading technology with the goal of maintaining health and safety in industries including automotive, aerospace, semiconductor, electronics manufacturing, heavy industry, steel, shipbuilding, pharmaceutical, biotechnology, food processing, medical, construction and civil engineering.

In recent years, we have implemented a global growth strategy led by our unique and extremely dynamic management team located in Japan and the US. Our reliable technology and 60 years of accumulated knowledge and know-how has allowed us to establish a global network between our management and employees. Our team aims to achieve global leadership in the niche markets we serve.
