10年、ありがとう。家でのワクワク、これからも。

We are a values-driven company with a passion for life at home. Every product we create is our idea for making home a better place. At the IKEA Group, we have 328 stores in 28 countries.

Vision and business idea:

“To create a better everyday life for the many people”, this is the IKEA vision. Our business idea is “to offer a wide range of well-designed, functional home furnishing products at prices so low that as many people as possible will be able to afford them”.

We work hard to achieve quality at affordable prices for our customers through optimising our entire value chain, by building long-term supplier relationships, investing in highly automated production and producing large volumes. Our vision also goes beyond home furnishing. We want to create a better everyday for all people impacted by our business.
