

amadeus

Amadeus Japan K.K.

Company Description

30 years of innovation, collaboration and better journeys

At Amadeus we help our customers all over the world improve the travel experience for billions of people every year. Today we're more than 19,000 professionals. And we're committed to making the future of travel even better!

Our vision

To be the leading provider of technology solutions for the travel industry.

Our values

We have a team across the world made up of more than 17,000 people in more than 190 countries, with 146 nationalities, speaking over 60 languages.

Diversity - of ideas, culture and language - has made us strong and means that we are truly 'close' to our customers. But we also believe that certain clear values need to unite us all and set out how we behave as a company.
