Company Description

BiOS was formed in 1998 (as a division of LINC Media Inc.) and has evolved into a premier IT solutions and outsourcing company. With this evolution BiOS was spun off from LINC Media to create a separate and independently operating company in 2010, now registered as BiOS Inc. BiOS provides solutions and services to a wide range of small and large foreign firms in Japan.

Over the years BiOS has developed the benchmark for bilingual IT Solutions in Tokyo, built on the principle of providing honest and affordable services customized and tailored to our client's needs.

We are always looking for bilingual IT professionals to join our onsite and internal teams. We pride ourselves in recruiting talented and ambitious engineers from all over the world.

Currently our teams include bilingual technical, sales and administration staff from more than 10 countries making BiOS a dynamic IT Team where intellect and creativity and a strong work ethic are all rewarded.

Start your future today with BiOS.
