Job Description

Our client is a Fortune 500 technology company. They are a diverse organization spread across several global markets and their portfolio of products and services includes consumer electronics, personal computers, software and business solutions. They have been named one of the World's most admired companies.

They are currently looking for a Senior Analyst in the FP&A team who will help drive business growth and lead the financial planning process.

Responsibilities

- Develop financial forecasts, track the actual performance, analyze the variances, and provide recommendations to support decision-making
- Control resources and expenses to optimize the financial returns
- Implement quality processes and effective controls to ensure proper financial statements are prepared and sound business operations are executed
- Identify areas of improvement/opportunity in business, driving profitable growth

Required Skills

- 3-5 years experience in financial analysis, reporting, data analytics with a focus on cost/revenue/profitability
 - Positive and proactive problem-solving attitude
 - Tenacity and strong attention to detail
 - Open to learning, adapt to new challenges, and maturity to work in both advanced and primitive environments
 - Fluent in English & Japanese
 - Strong MS Excel/Powerpoint skills
-

Company Description

At Spotted Recruit, we believe in entrepreneurs and share their passion for turning great ideas into reality.

Since 2016, our consultants have been helping tech startups and venture capital firms to build their business by finding highly qualified, highly motivated professionals for top Management and Executive positions, as well as strategic Sales, Engineering, Design, and Back Office roles. During that time, we have expanded the scope of our firm to provide industry-leading contingency and retained search services to the entire Tech Startup Ecosystem — from the most innovative homegrown Japanese Tech Startups and pioneering Global Tech companies entering Japan, to visionary Venture Capital and Private Equity firms.

Japan is increasingly evolving into a supportive environment for global entrepreneurship. If you are looking for a new challenge, greater responsibility, and the chance to contribute more to the success of a business, we can help connect you to the most compelling opportunities in the startup ecosystem.

Spotted Recruit is dedicated to helping candidates with expertise in the tech and finance fields discover a more exciting career path. As we work to place you with a company that matches your experience and goals, we act as your consultant, coach, and negotiator. It is our aim to see each of the candidates we place find satisfaction, have a significant role to play, and be successful in their new position.
