### Job Description

Our client is a tech startup focused on the space industry. Their main product is based on an innovative technology that sets it apart from the competition and aims to revolutionize space satellite operations. Their partners include government, academic institutions and international clients.

As they enter a phase of considerable expansion, they are looking for a Chief Financial Officer who will oversee the fundraising, manage the accounting operations and support the preparation for the stock listing.

Salary: 10 million yen plus stock options

### Responsibilities

- Preparation of business plan
- Fundraising and relationship with investors
- Monthly, quarterly and annual closing
- Construction of budget and actual management system
- Preparation of various application documents associated with the listing. IR work, preparation of disclosure materials
- Negotiations and coordination with audit firms and underwriters

### Required Skills

- Knowledge and experience in listed company accounting
  - Knowledge and experience in internal control
  - Experience using SaaS
  - Native-level Japanese and business-level English
  - Experience in preparing for listing at a business company (preferred)
  - Experience in auditing newly listed companies at an audit firm, or consulting experience (preferred)
- 

## Company Description

At Spotted Recruit, we believe in entrepreneurs and share their passion for turning great ideas into reality.

Since 2016, our consultants have been helping tech startups and venture capital firms to build their business by finding highly qualified, highly motivated professionals for top Management and Executive positions, as well as strategic Sales, Engineering, Design, and Back Office roles. During that time, we have expanded the scope of our firm to provide industry-leading contingency and retained search services to the entire Tech Startup Ecosystem — from the most innovative homegrown Japanese Tech Startups and pioneering Global Tech companies entering Japan, to visionary Venture Capital and Private Equity firms.

Japan is increasingly evolving into a supportive environment for global entrepreneurship. If you are looking for a new challenge, greater responsibility, and the chance to contribute more to the success of a business, we can help connect you to the most compelling opportunities in the startup ecosystem.

Spotted Recruit is dedicated to helping candidates with expertise in the tech and finance fields discover a more exciting career path. As we work to place you with a company that matches your experience and goals, we act as your consultant, coach, and negotiator. It is our aim to see each of the candidates we place find satisfaction, have a significant role to play, and be successful in their new position.
