Company Description

Tokyo American Club has been an integral part of the international community in Tokyo since its founding in 1928.

With 3,700 Members, drawn from 50-plus nations, the Club offers a diverse range of cultural, business and recreational activities and amenities in the heart of the Japanese capital.

The present facility, which was designed by lauded American architectural firm Pelli Clarke Pelli and opened on January 18, 2011, is the sixth incarnation of the Club.

The building was described by private club consultants the McMahon Group as “light years ahead of its U.S. counterparts” and “[as] quite possibly the finest private club facility in the world.”

Members enjoy access to world-class recreation facilities, including a roof-top pool, bowling alley, golf simulators, full-size gym, library, childcare center and spa, as well as a host of fitness, cultural and educational programs for all ages.

Besides being home to five restaurants, a bar and a seasonal café, the eight-story facility features seven overnight Guest Studios and superlative meeting, party and conference facilities.

In 2018, the Club was named in the Platinum City Clubs of the World top 100 list by the Club Leaders Forum. The accolade followed the Club's Distinguished Club recognition by the BoardRoom magazine the year before.

The US ambassador to Japan serves as the honorary president of the Club.
