## Company Description

Established in 1999, en world Japan is a global recruitment and staffing firm specializing in global human resources with offices in three countries in the Asia Pacific region.

We specialize in providing support for mid to high-level positions at foreign capital and Japanese global companies. We provide a full range of recruitment and retention services including permanent placement, professional staffing, executive search, and Recruitment Process Outsourcing (RPO).

In addition to our own database of bilingual professionals, we work closely with our group company en Japan, which has one of the largest human resources information networks in Japan, as well as with our domestic and overseas offices to match companies with job-seekers.

Since becoming an en Japan group company in 2010, we have continued to evolve daily with our mission of "Enabling Success" and our main goal of "Becoming the most respected recruitment partner in the global human resources market".
