Job Description

★Duties.

Providing information on domestic and foreign personal data and privacy protection systems for Japanese and Japanese-affiliated companies with business activities in Japan and abroad, Consulting services to support the implementation of personal data processing business processes.

For work related to the European Union GDPR/ePrivacy Directive, US state personal data protection laws and regulations, and other foreign laws, experienced consultants will support and help you learn in specific cases. We welcome applications from proactive people who are interested in developing their skills.

Depending on performance, you may be promoted to senior consultant or management positions.

Attractiveness of the Sector

You will be working in a rare global organisation with legal experts in privacy protection (five lawyers) and IT security experts.

Privacy-related technology is in its infancy and we are looking to develop new services. The greatest attraction is that together we can create a world where we can contribute to the protection of people's privacy by creating new services and changing society.

We hope that those who find this appealing will apply.

■ Organisation and corporate culture:

Employees take pride in the fact that their company has been a leader in the Japanese internet. Turnover is very low, at a few per cent. Although the company has more than 1,500 employees, it is not bound by an organisational structure, and the corporate culture is flat, speedy and full of venture spirit. As an example, the company is sensitive to feedback from the frontline, and actively seeks out ideas, which are immediately implemented if they are good suggestions, regardless of age. If you have specific goals and visions of what you want to do and what you want to achieve, you will find the environment here to be extremely free and easy to work in.

Required Skills

[Required Skills/Experience]

- At least 1 year of project management experience
- Basic legal and compliance domain knowledge and IT and information security domain knowledge
- Japanese language skills (native level or JLPT Level 1)
- English proficiency (native level or TOEIC 850 or above, or the ability to read and write English well enough to understand and explain laws, contracts, articles, etc. written in English)

[Preferred Skills/Experience]

- At least 1 year of working experience in a consulting firm.
- At least one year of experience in strategy development, design, implementation, and operation of IT or security systems at a global level, including overseas offices.
- Experienced in legal and compliance area in a business company, passed the bar exam, or passed the national civil service career-track examination (law, politics, international).
- CIPP/E, PMP, CISSP, CISA or equivalent qualifications
- Data Protection Practitioner (Privacy White) of Japan DPO Association

Company Description

感謝の気持ちを忘れない

日本を選んでくれた外国人の方たちへ

j Careerは、留学先として日本を選択した外国人留学生、日本での安住を目指す外国人への感謝の心、深い敬愛の念を起業の動機とし、外国人留学生や在留外国人の皆さんが日本において幸せをつかむための様々なサポートを通し、日本社会のみならず、国際社会への貢献の一助となることを目指しています。近年、グローバル化に対応し社内公用語を英語にする日本企業が増えていますが、就職活動においては依然として日本独特の慣習が根強く残り、外国人留学生や在留外国人にとって日本企業への就職はとても難しい状況といえます。j Careerはこのような状況を打破するべく、愛と感謝と情熱を持って全力で外国人の皆さんをサポートし、日本において幸福な生涯を送れるようバックアップしていきたいと考えております。

j Careerでは、外国人向け求人サイト「goojob.jp」を開設し、外国人留学生が日本で学んだ知識・技術を生かせるように国内での就職活動を支援したり、既に日本で社会人として仕事をしている外国人のさらなるキャリアアップを目指した転職を支援しています。

Remembering our Gratitude

For foreigners who chose to come to Japan

We express our gratitude towards international students who chose Japan as their destination of studying abroad by founding

this company, with the primary purpose of providing international students and foreigners in Japan with the assistance they need to seize their happiness. In doing so, we hope to contribute to the Japanese society as well as the international community. Due to corporate globalization in recent years, some Japanese companies have adopted English as their official language. However, recruiting in Japan is still possesses unique customs thus presents a challenge to foreigners who are not familiar with it. At j Career, we are dedicated to help foreigners in overcoming such difficulties and support their endeavor in attaining a happy life in Japan.

We set up a job searching website called goojob.jp with the intention to help international students utilize their knowledge and expertise they learned and apply that in their job hunting. We also help people who are working with making a career switch.
