Job Description

【事業内容／About GLOBIS】

Since its foundation in 1992, GLOBIS has fostered a vision to create and innovate societies by fostering management ecosystems of people, capital, and knowledge. Today, the company is involved in a range of activities, from higher education and corporate training to venture capital. GLOBIS also operates the G1 Institute and the KIBOW Foundation, both non-profit organizations to promote creativity and innovation in society. The GLOBIS MBA and corporate training programs are offered both online and in-person across Japan, Shanghai, Singapore, Thailand, the USA and Europe. GLOBIS University is the proud home of Japan's No. 1 MBA and is rapidly growing to claim this title for all of Asia.

【募集背景／Overview】

Within the Corporate Education Division, the global team designs and delivers customized training programs based on the needs of clients, and supports the globalization of clients from the HR perspective. The team executes various projects for the development of global leaders as well as organizational transformation. We also collaborate with our overseas offices in Shanghai, Singapore, Thailand, San Francisco and Brussels to solve problems cross-over the region.

【業務内容／Responsibilities】

As a partner of the management and the HR department of clients, you will be able to be involved in the transformation of the company as a professional in strategic HR (human resource development and organizational development areas)

Your responsibilities will include but not limited to:

- Analyze the management issues of the client
- Design and propose customized programs for human resource, organizational development and change
- Deliver the solutions in an integrated manner by involving a variety of people from different countries

【魅力／Challenges of the position】

We are committing to help leaders of our clients, who lead global teams and businesses all over the world, to develop Strategic Thinking, Leadership and Personal Mission by conducting customized training program in English. We often support Managing Directors in our client companies to develop their organizational competitiveness through the tailor-made training programs
