Job Description

Position

We are looking for an ERP Consultant who is experienced in Microsoft Dynamics 365 for Finance and Operations to strengthen our team. As a senior functional consultant, you will be leading a project, implementing Microsoft Dynamics 365 for Finance and Operations to Japanese clients' overseas offices. Our company being so small, it offers you a freedom to work under your own supervision yet competitive salary to meet your achievement.

Responsibilities

- Implementation, configuration, and customization of Microsoft Dynamics 365 for Finance and Operations
- Supervision of other project members
- Travel to client offices abroad

What we offer

- Independence, freedom and a lack of bureaucracy
- Competitive salary and compensation to meet your commitment
- Complete social insurance package

Required Skills

Requirements

- Successful end-to-end experience as functional consultant in cross-national implementation of the Microsoft Dynamics 365 for Finance and Operations system.
- At least a few years of ERP senior consultant experience
- Proficiency in English
- Strong interpersonal communication skills, both verbal and written
- Willingness to travel abroad (During project execution, 1 week/month)

Please be noted that this position is a Senior functional consultant position, not a project manager. To successfully execute the project, you are required to have a deep knowledge of the modules in Microsoft Dynamics 365 for Finance and Operations.

Nice-to have : Business level Japanese

Salary: 7,560,000 yen ~

Company Description

NIC Global Solutions Inc. is composed of (literally) a handful of employees who are passionate about finding solutions and solving problems for our clients. Our Microsoft Dynamics 365 for Finance and Operations implementation business covers all industries and countries. We believe in efficiency (also called being flexible), and each individual voice is valued and defines the company's direction.
