Job Description

[JOB RESPONSIBILITIES]

- Design and production of packaging

We are looking for someone who can make design proposals logically. Mainly, we would like you to assist us in developing overseas brands in Japan. Alternatively, we would also like to ask you to create designs for overseas expansion of Japanese brands or Japanese originals. We need to create a package that is acceptable in the Japanese market while exploring true localization and Japanese insight. You will be in charge of production while understanding the client's brief, why the design proposal was made, and considering print reproducibility.

[REQUIREMENTS]

- Experience in package design production (3+ years of work experience)
 - 3+ years of experience working with Illustrator and Photoshop
 - Bilingual in Japanese and English (Japanese: native, English: level of ability to participate in business emails, presentations, and brand strategy meetings)
 - Experience in creating FMCG package designs
 - Design agency, freelance, or DTP experience
 - Experience building brand and design strategies

Our Services**• Contingency**

Many clients choose to utilize our success based contingent recruitment service. We take the time to fully understand the job brief before presenting a tailored shortlist of 5 to 6 candidates from our expansive existing network. This service comes with no obligation to hire and our clients only pay a fee when the successful candidate joins.

• Retained

Our retained service is particularly successful for clients with high profile/critical hiring needs, or niche searches that involve a significant amount of time unearthing candidates from outside our existing network. Clients who choose our retained service benefit from the introduction of exclusive headhunted candidates and top prioritization from the Cornerstone team.

• Market Entry

With a wealth of experience in the Japan market, our consultants have successfully helped many clients enter the Japan market. We can help you secure that critical first hire, as well as providing a consultation service, to make sure that your business is well prepared for all the initial hurdles it will face.
