Job Description

My client is a global Japanese company and is looking for an FP&A associate to join their team. they specializes in working between manufacturers and retailers. They help manufacturers run targeted marketing campaigns at the retail level, both online and offline, using data from their retail clients to provide insights and competitive analysis.

This is a wonderful opportunity for you to bridge into FP&A and to utilize your experience. If you would like to hear more about this opportunity, please apply if you believe that your background is suited for this role.

Responsibilities

- Budgeting and forecasting of headcounts, labor costs, SG&A expenses, and fixed assets.
- Reporting, reporting, analyzing, and making recommendations on the above.
- Financial support for investment projects (NPV, IRR, payback period, etc.)
- Application for approval of fixed assets to the head office in the U.S.

Required Skills

- headcount, SG&A, fixed asset forecasting and control experience.
- Native Japanese speaking ability (anything less will not be considered)
- University degree
- 5 years of experience in accounting and finance in a business enterprise.
