[Recruitment background]

[Recruitment background]

In recent years, with the spread of digital media, influencer marketing has become an important part of business strategy. As part of our new business development and promotion strategies, we aim to expand brand awareness and effectively reach our target audience by focusing on influencer marketing.

[About business content]

Our company supports the development of a comprehensive investment financial platform. In order to establish our unique position, we are currently developing a large-scale marketing plan that includes acquiring licenses and branding in each and every region.

This message will be sent to the entire world using English.

(1) Casting

- Discovering next-generation influencers (Twitter, YouTube, Instagram, TikTok, etc.)

You'll embrace new trends and discover the next generation of influencers across a wide range of platforms.

We will find the influencers that match your target and leave it to you to carry out the best casting for your project.

- Meetings with production and influencers, negotiation and coordination of appearances

You will be responsible for communicating smoothly with production companies and influencers, and effectively negotiating and coordinating appearances.

(2) Planning

- Concept design

You will design an effective and attractive concept based on the project objectives.

- Planning and designing of marketing campaigns

You will plan and design strategic marketing campaigns and develop strategies to achieve goals.

(3) Direction

- Progress management of the entire project

You will closely manage the progress of the project and promote the plan to achieve the goals.

(4) Analysis

- Investigation and analysis of competitors and reference services

You will help improve strategies by understanding market trends and analyzing competitors and reference services.

- Customer journey analysis

You will analyze customer experience and help optimize marketing strategies.

- Social listening

You will monitor feedback and trends on social media.

- Temporary verification planning

You will develop plans to test hypotheses and support data-driven decision making.

- Marketing data management using Google spreadsheets

You will effectively organize and manage marketing data and support strategic decision-making.

(5) Building an influencer organization

- negotiation

You will build cooperative relationships through negotiations with influencers.

- Organization

You will organize influencers and facilitate effective collaboration.

In the short term, the role will be to formulate and implement a quick and effective influencer marketing strategy, and in the medium to long term, we will position influencer marketing as a part of our business strategy, and we are looking for someone who can take on leadership in this area. I am thinking of doing so.

You will participate in ongoing projects, drive new business initiatives, and grow and develop the influencer marketing team.

We welcome individuals who can grow with us over the medium to long term and lead our innovative marketing strategies.
