Job Description

Who we are...

At EBC, we believe in empowering people to live their best lives. We're a fast-growing start-up that's revolutionizing the way people manage their finances. Our mission is to become a trusted investment partner for global investors. We are made up of passionate individuals who are dedicated to providing our customers with the best possible experience. Are you a dynamic and results-oriented professional with a passion for driving business growth? As a Business Development Manager, you will play a crucial role in expanding our reach, building strategic partnership, and driving revenue growth. If you have a strong background within the industry and thrive in a fast-paced environment, we want to hear from you !

What You'll Do...

- Identify and pursue new business opportunities through research, prospecting, and networking
- Build and maintain relationships with key decision makers and influencers in target markets
- Develop and execute sales strategies that align with company goals and objectives
- Collaborate with marketing and product teams to create and execute targeted campaigns
- Negotiate and close deals that drive revenue growth
- Track and analyse sales data to identify trends and opportunities for improvement
- Represent the company at industry events and conferences

What You'll love about us...

- Competitive salary – we believe great talent deserves great compensation!
- Do something meaningful; Be a part of the future of finance technology and the no.1 company in the industry
- Fast moving, challenging and unique business problems
- Great career development opportunities in a growing company
- International work environment and exposure to a global team

We are an equal opportunity employer and will always promote a more diverse and inclusive environment. We are committed to being a welcome employer for all candidates.

Please attach a most recent CV in English with the application.

Notes for candidates:

You will work in office. If you have reason to work from home, we can discuss about it.

Required Skills**What You'll Bring...**

- Bachelor's degree in Business Administration, Finance, Marketing or related field
- 6+ years of experience in business development or sales, preferably in the financial industry; Candidate with less experience, may consider as Business Development Executive
- High empathy and High Integrity
- A Proven track record of success in driving revenue growth through new business acquisition and account management
- Experience working with CRM and other project management tool
- Have a natural ability to connect with people and maintain strong, healthy relationships
- Have strong strategic thinking and problem-solving skills
- Ability to work independently and collaboratively in a fast-paced environment
- Willingness to travel and explore opportunities
- Native Japanese with good command of English or Chinese
