Job Description

Operations Division is currently looking for an experienced hire with expertise in business analytics and reporting to further its efforts to make the best operating system.

The successful hire will have the opportunity to own large swaths of operations including Customer Success, Collections, eKYC, and overall business strategy, collaborating frequently with CQO, Head of Customer success, Operation Manager and other key stakeholders.

Required Skills

Requirements include 3-5 years of experience in business analytics, preferably in finance, proficiency in SQL/Python/R, and familiarity with AWS/Github.

Business English is required, and Japanese skills are advantageous. Diverse team, exciting work opportunities, flexible

remote work arrangements, competitive salary, and benefits.
