Job Description

This position reports into the Regional Accounting Manager JAPAC is responsible to support the US GAAP and Local statutory GAAP accounting and reporting processes for Japan. This position needs a person with 'can do' hands on attitude and ability to work with multiple stakeholders planning and execution of local statutory audits or any other statutory reporting requirements.

■R2R Responsibilities

- Work closely with Commercial Finance the Accounting COE the BPO and others to ensure compliance with company accounting and operational guidelines as well as US and local statutory GAAP
- Research and resolve technical accounting issues and review financial and accounting analysis involving complex transactions in a variety of areas
- Interpret and roll out accounting policy/standards including application of US GAAP (e.g. revenue recognition pension accounting etc.)
- Support development and standardization of Accounting policies and procedures
- Ensure ongoing compliance with Accounting policy and procedures
- Monitor internal control compliance in the region
- Play a critical role in the preparation of US GAAP financial statements. Activities include but are not limited to compiling information for disclosures in accordance with U.S. SEC reporting requirements
- Manage coordinate and review the monthly quarterly and yearly financial close process
- Manage coordinate and review the Balance Sheet planning process (Updates Plan)
- Oversee the monthly DSO and Balance Sheet Commentary
- Review key account reconciliations
- Perform reserve and impairment analyses (e.g. receivables inventory intangible assets etc.) in accordance with corporate policy
- Review changes to chart of accounts
- Perform periodic balance sheet account reviews at a country level
- Initiate process improvements and quality reviews to simplify and improve productivity
- Assist as needed in the statutory reporting process
- Liaison with external auditors and actuaries
- Lead ad key strategic projects as needed
- Work closely with personnel in all departments to ensure compliance with company accounting and operational guidelines in accordance with local GAAP
- Work closely with the Finance Director/s of assigned affiliate/s to ensure high quality of the ledgers and full compliance with Accounting Policies
- Propose and implement initiatives aimed to improve efficiency and quality of the process

■Statutory accounting responsibilities

- Preparation of statutory financial statements including notes to accounts
- Participate/ review US GAAP month close process with primary focus to identify adjustments necessary for local GAAP:
- Regular reconciliation of US and local GAAP ledgers to ensure integrity of data
- Perform local GAAP adjustments
- Identify and perform adjustments needed for additional disclosures (T E Payroll benefits etc)
- Maintain local GAAP balance sheet reconciliations
- Conduct balance sheet reviews periodically
- Prepare and distribute reports to key contacts
- Interpret and roll out local accounting policy/standards
- Prepare Standard Operating Procedures Flow charts to ensure local GAAP requirements are documented and necessary processes are in place.
- Co ordinate Statutory audits:
- Support Finance Director in execution of local statutory audits
- Plan and co ordinate audit schedule with external auditors service providers (if any) and internal departments
- Execute audit plan by ensuring timelines are met.
- Establish escalation protocol monitor and report audit progress.
- Manage the Statutory calendar
- Support the process of local tax provision calculation and income tax return
- Perform miscellaneous reporting filings (e.g. statistical reporting)
- Identify and implement improvement opportunities in the area of direct responsibility (compliance quality and process efficiency)

■Tax responsibilities

- First point of communication for all direct and indirect tax matters
- Work closely with third party service providers and Tax Centre of Excellence to plan and support tax compliance activities
- Communicate compliance timetable and deliverables to all stake holders
- Ensure inputs required for tax return preparation are received reviewed and submitted timely.
- Follow up on any missing information perform defined checks and reconciliations
